Enrolment Fee

This only applies to new children entering our school. R2 000,00 to be paid before or within the first week of school.

Stationery Fees

These fees pay for all work books, art equipment, paper, photocopying etc. This money does **not include pens, pencils, crayons etc**.

The stationery fee for 2016 is R1 000,00.

Contribution to Craighall School

Our children use all Craighall School's many amenities. They are included in all sport's functions and extra mural activities. We use their tuck shop, join assemblies, use their fields and are able to give our children swimming lessons using their pool.

Most important, is the fact that as our children are included so readily in all these mainstream functions makes our school different to all other remedial schools. It teaches our children life skills and will help them all when returning to mainstream education. Those children who play sport will have the skills required to join these sports when leaving our school. Many of our children are members of the Craighall teams and are doing really well.

We are all aware that our C - model schools receive very little from the government. The maintenance of the fields and buildings and the payment of the many coaches are carried by the school.

We can no longer expect the school to carry our children with no contribution from us. We are now asking all parents to pay a compulsory contribution of R1 000, 00 by the end of the first term enabling us to give to this wonderful school a small donation towards their ongoing expenses.

This must be paid into the Craiglands school account and will be paid over in bulk to Craighall Primary School.

Aftercare

The fees for this year are R10 000, 00 to be paid over ten months.

As with school fees this is a yearly fee and must be paid monthly even during school holidays.

The daily fee is R75,00.

Note that Aftercare is billed independently of Craiglands.
